

MISSION

The Mission of the Aggie Athletic Foundation (AAF) is to provide financial support to the Athletics Department at North Carolina A&T State University and to foster the athletic, academic and social development of student-athletes.

GOAL

The short term goal of the AAF is to focus its efforts on raising funds to support scholarships for our student-athletes. The long term goal is to completely fund all scholarships for the 15 sports of the athletic department. Scholarships total about \$3.4 million per year.

ABOUT THE AGGIE ATHLETIC FOUNDATION

The Aggie Athletic Foundation was established July 1, 2011; and is the official fundraising arm of the NC A&T Athletics Department. We provide the platform for individuals to celebrate and recognize the value of the Aggie Athletics experience.

The AAF offers many ways for individuals to show their support: annual giving, endowments, planned giving and capital projects. When you invest in Aggie Athletics, you become a part of a great legacy and tradition at A&T.

WHY WE NEED YOUR SUPPORT

Donations to the AAF provide additional resources in support of programs, coaches and student-athletes during a time when NC A&T Athletics is experiencing increased operational costs and budget cuts. **By becoming a donor, you can make a tangible difference in our quest for excellence in every aspect of competition.** NC A&T Athletic programs are funded annually from the combination of ticket sales, the student body athletic fee, ticket and sponsorship sales; and most importantly through private donations to the Aggie Athletic Foundation by generous supporters like you.

DONOR LEVEL BENEFITS

The Aggie Athletic Foundation is a donor organization designed to offer our North Carolina A&T State University athletic donors premiere benefits for their steadfast support of Aggie Athletics.

Donor levels start at \$25; and determine benefits that include priority ticket purchasing, priority parking, first rights to secure tailgating spaces and much, much more. A “point system” is utilized to administer the allocation of benefits. Points are awarded to donors based on giving behavior as well as giving levels.

The point system will help determine where you can sit in Aggie Stadium and Corbett Sports Arena along with expanded parking options. This is just the beginning of a new and expanded booster organization designed to reward your support of Aggie Athletics.
