6. As a scholarship athlete, how do you feel you benefit most by the support you receive from our Aggie Athletic Foundation donors?

Being on scholarship gives me the support to pay my bills and not have to work during the season, this allows me to give 100% to my coach and teammates during practices and games.

7. If you could say anything to our Aggie Athletic Foundation donors, what would you say?

Thank you for what you do for our Men and Women sports!
