

# AAF Student-Athlete Spotlight

1. How did you decide on NC A&T State University?

NC A&T was the only school that truly felt like a home away from home. There's so much history and culture at A&T. Also, on my visit, the girls that were already on the team embraced me into their family, which only made my experience better!

2. What's your major?

Human Resources

3. What's your favorite part about being a student-athlete at A&T?

Being able to obtain my degree while being able to compete at a high level as a D1 athlete.

4. What would you like to do after college?

To carry on the rich tradition of "Aggie Pride" by helping and including others to be successful in the workplace.

5. What's your favorite memory during your time here at A&T?

My favorite memory was traveling to New York to compete in the conference tournament. It was an amazing experience, and we will definitely be back next year!

6. As a scholarship athlete, how do you feel you benefit most by the support you receive from our Aggie Athletic Foundation donors?

I'm able to play the sport that I love, without the financial burden on myself and my family.

7. If you could say anything to our Aggie Athletic Foundation donors, what would you say?

I'm thankful for their kindness and generosity, which helps myself and other student athletes be successful within their sport and in the classroom!
