

AGGIE ATHLETIC FOUNDATION

Building Excellence | Sustaining Success | Investing In Champions

MISSION

The mission of The Aggie Athletic Foundation is to provide support to the Athletics Department at North Carolina A&T State University and to foster the athletic and academic development of student athletes.

GOAL

The short term goal of the AAF is to focus its efforts on raising funds to support scholarships for our student-athletes. The long term goal is to completely fund all scholarships for the 15 sports of the athletic department. Scholarships total about \$3.4 million per year.

ABOUT THE AAF

The Aggie Athletic Foundation was established July 1, 2011; and it's the official fundraising arm of the NC A&T Athletics Department. We provide the platform for individuals to celebrate and recognize the value of the Aggie Athletics experience.

The AAF offers many ways for individuals to show their support: annual giving, endowments, planned giving and capital projects. When you invest in Aggie Athletics, you become a part of a great legacy and tradition at A&T.

WHY WE NEED YOUR SUPPORT

Donations to The AAF provide additional resources in support of programs, coaches and student-athletes during a time when North Carolina A&T State University Athletics is experiencing increased operational costs and budget cuts. By becoming a donor, you can make a tangible difference in our quest for excellence in every aspect of competition. North Carolina A&T State University Athletic programs are funded annually from the combination of ticket sales, the student body athletic fee, ticket and sponsorship sales; and most importantly through private donations to The AAF by generous supporters like you.

DONOR LEVEL BENEFITS

The AAF is a donor organization designed to offer our North Carolina A&T State University athletic donors premiere benefits for their steadfast support of Aggie Athletics.

Donor levels start at \$100; and determine benefits that include priority ticket purchasing, priority parking, first right to secure tailgating space and much, much more. A "point system" is utilized to administer the allocation of benefits. Points are awarded to donors based on giving behavior as well as giving levels.

The point system will help determine where you can sit in Aggie Stadium and Corbett Sports Arena along with expanded parking options. This is just the beginning of a new and expanded booster organization designed to reward your support of Aggie Athletics.

THE AAF \$18.91 CLUB LEVEL

Beginning in 2022, the Aggie Athletic Foundation (AAF) is offering a great new way for you to support A&T Athletics at an affordable entry level! AAF is now introducing our \$18.91 Club Donor Level, replacing the previous Champions Level. Inspired by our alumni friends at BlueDeathValley.com, the \$18.91 Club encourages new entry level donorship using the Mobile Cause recurring monthly donation feature. By selecting the recurring donation option for at least 12 months at \$18.91 per month in honor of A&T's founding year, you will become a part of our \$18.91 Club level. In addition to the benefits shown, you will also receive a magnetic \$18.91 Club logo decal. This will be for you to prominently display your Aggie Pride and direct support of A&T Athletics on your vehicle, at work or at home!

Come be a part of something greater than ourselves with the AAF \$18.91 Club Level! Just go to <https://app.mobilecause.com/vf/GIVETOAAF/1891Club> or text **GIVETOAAF3** to 71777 to continue your journey with AAF today!

*Donors at levels higher than the \$18.91 Club level will also receive a Donor magnetic logo decal for 2022.
